

## Natural Medicine of Denver

Denver, CO

[Natural Medicine of Denver](#) is seeking to add an acupuncturist to our integrative healthcare team.

You will be joining a very passionate and supportive team of integrative healthcare providers. We are focused on bringing the very best of integrative medicine to the Denver area and look forward to adding a highly motivated and skilled acupuncturist to our team!

Our goal is to provide a space where you can reach as many patients as possible – we have an initial patient base eager to schedule visits that we anticipate you can leverage into a thriving practice. Your compensation is a split of the revenue you generate.

If you are interested in providing the very best of your acupuncture skills to a broad population this is the perfect fit for you!

You must be NCCAOM certified and carry malpractice insurance. We will help you take care of the rest!

Serious candidates please send your resume and cover letter to [admin@naturalmedicineofdenver.com](mailto:admin@naturalmedicineofdenver.com)
